**What participants are saying about
Teen Showcase:**

It was great!

Great experience. More teens need to be able to come to things like this.

Had a lot of fun. Thanks!

Teen Showcase was awesome.

Great speakers.

Thank you for having us!!!

Wonderful program. Bravo to all who put this together.

This was an awesome day!

You are awesome, I want to go next year.

Teen Showcase really opened my eyes and I'm sure it was the same for others.

This was a really good performance and I hope a lot more kids get to come next year.

Entertaining and funny.

This was entertaining and I enjoyed it. I'd love to come again.

Fun, exciting, emotional.

I learned a lot very good show.

A very nice program. Funny and centered on education that wasn't boring.

It was a very good and inspirational program.

35th Annual Teen Showcase

*is a community effort to
educate our youth on diverse
topics that highlight the
importance of making
positive life choices.*

*We would like to give you the
opportunity to help make a
difference in your community.*

TEEN SHOWCASE 2020

Nick Scott A catalyst in personal transformation with positive energy, unstoppable passion in his beliefs and mission, Nick Scott embodies a story and message so powerful that it ignites body, mind, and spirit in all he needs.

Brad Gerke and Jessica Alvarez have both struggled their way from the depths of addiction to today where they hold professional careers that aid others in recovery. The two share their stories and experiences in hopes to help just one person in their audience, as their presentation offers guidance and education about the ongoing drug epidemic.

3Screens Three massive screens bring together a powerful message: we all have the power to do something extraordinary. Through music and movie clips this presentation will inspire, motivate, and challenge young people to make healthy choices and develop strong character.

Jennifer Kelsey, APRN with OSF will present on making good choices. Over 5,700 kids start vaping every day. Misconceptions, peer pressure and marketing tactics all contribute to the staggering rise. Jennifer discusses the dangers and risks associated with these devices and alternatives to vaping.

Youth from:
**LaSalle, Bureau, Putnam
Livingston, Marshall, Stark, & Woodford
Counties**
are invited to participate.
