

North Central Behavioral Health Systems Available to Assist Behavioral Health Clients Affected by St. Margaret's Closure

For immediate release

Contact: Rachel Ernst, Marketing & Communications Manager, NCBHS – renst@ncbhs.org

(LaSalle, IL | June 23, 2023) North Central Behavioral Health Systems, like the rest of the community, is saddened by the closure of St. Margarets Spring Valley and Peru. We offer the following services to support those in need of behavioral health care or are experiencing a mental health crisis.

For individuals experiencing a mental health crisis we offer the following:

- Walk in crisis evaluation at our LaSalle Office (2960 Chartres St. LaSalle) Monday through Friday 8:30a-5:00p.
- After hours crisis assistance by calling **815-224-1610** or 988

For those in need of ongoing behavioral health treatment and care due to the closure of the Hygienic and St. Margarets outpatient clinics:

- Please call **815-224-1610** to schedule an appointment.
- When calling to schedule let the receptionist know that you had been receiving treatment through one of St. Margaret's facilities for behavioral health care.

North Central Behavioral Health Systems remains committed to serving those in need of Behavioral Health treatment in our communities by offering outpatient individual therapy, case management and substance use treatment, no matter what their background or payment method is.
